TOUCHING LIVES

For us every query is not just a number. It drives us to reach out and touch lives round the clock

Kota, Rajasthan- a popular hub for engineering & medical aspirants- was a hotspot for a large number of COVID-19 cases in India. Worried parents of Assamese students, stranded in the region, reached out to Invest India & asked for help to bring their children back home. Invest India worked closely with the Gov. of Assam and expedited the process of getting the students from Kota. After a 3-day long journey, 391 students reached Assam & we at Invest India made it happen!

MAKING IT HAPPEN

***Alfa Corpuscies:** Facilitated a connect with local officials and obtained e-passes to ensure the production of essential medical devices.*

***JindalX:** Obtained passes to ensure delivery of computer systems to employees to ensure business continuity*

***Herbolab India:** Obtained curfew passes to ensure running of a manufacturing unit making Ayurvedic Proprietary Medicine.*
