On day 5 of the nationwide lockdown- IQF, a frozen fruits & vegetables supplier in Karnataka, was worried about the local farmers in the region. 100 farmers, that supply to IQF, were losing ~INR 5 lakh everyday as transport had been disrupted.

Invest India worked with Mr. Manoj Ranjan, Special Sec. to the Gov. of Karnataka (Food Processing & Harvest Technology), and the District Collector's office to obtain the necessary approvals for IQF to start operations- thus saving the livelihoods of the 100 farmers in the region.

We are glad we could make it happen!
